*2024-2025*

## ACADEMICS - CLASS X

In class X board Examination, we have been made proud by Shreyansh Agarwal who scored 97.6 percent. He has scored 100 % marks in French language . He deserves a huge round of applause.

Achieving a hundred percent score in academics is evidence of exceptional skills of time management, values of sincerity and dedication along with mastery of the subject matter. It is a matter of pride for us that our students have scored cent per cent marks in various subjects.

# SPORTS ACTIVITIES, AND ANNUAL SPORTS DAY CELEBRATION

Sports activities help students develop perseverance, resilience, discipline, leadership, accountability, patience, self-confidence and teamwork. Students learn how to deal with failures and challenges. Thus our school provides ample opportunities to hone all these virtues.

Inter-house competitions in Chess, Kho-Kho, Volleyball, Football, Table Tennis, Handball & Basketball were organized which encouraged students' participation with zeal & enthusiasm. On 29th December, 2023, the Annual Sports Day proved to be the platform to showcase students' sporting talent and win medals along with cheers.

# **CO-CURRICULAR INTER- HOUSE ACTIVITIES**

Co-curricular activities provide a platform for students to explore their interests, passions, and talents beyond the confines of the traditional curriculum. They contribute to the holistic development of students by offering a well-rounded education experience and shape students' character, confidence, and overall personality.

Our school conducts a number of inter-house competitions throughout the year. Competitions like Hindi Kavita Vachan, Quizzes, Script and Skit, PPT and Enactment, The Survey on Habits of Healthy Lifestyle, Sudoku, Cyber Security and Safety, Econovista, Devotional Path to Divine, etc. provided challenging platform to students to showcase their talent.

## **WORKSHOPS AND SEMINARS**

To enhance self-confidence, self-esteem, to keep up to date with the changing education system and to keep oneself fit for teaching

Generation Z and Generation Alpha, teachers need to adapt themselves to the ever evolving student centered innovative pedagogical strategies. We, the students of CCDPS, are fortunate as our school provides opportunities to teachers to learn new skills and teaching practices and upgrade their subject command. So, in addition to regular curricular and co-curricular programmes, numerous Knowledge Sharing Sessions, Seminars, Webinars and Workshops were conducted by the CBSE and various departments of our school for educational enrichment.

Career fairs and career guidance programmes are also provided by our school.
